Sub: Constitution of Committees in the North Kanara District to make proper Survey of Forest lands suitable for cultivation.

In continuation of this office letter of even No. dated 18-6-1964 on the above subject, I enclose herewith the letters No. RB.FOR. SR. 1349 dated 7-6-1964, 7-7-1964 from the Divisional Commissioner, Belgaum for perusal. It can be seen from the letter dated 7-7-1964 of the Divisional Commissioner, that the area actually to be released in Haliyal Taluk is only 1387 Acres-20Gunthas. Further, the Divisional Commissioner, has recommended the release of additional area of 440 acres in Yellapur Taluk. I agree with the proposal of the Divisional Commissioner, and request you to communicate orders of Government for release of the two areas referred to above. Government in their order No. AFD 18 FGL 64 dated 24/25-7-1964 have already ordered the release of the areas in respect of other taluks.

Yours faithfully,

Chief Conservator of Forests,

No.FOP/GEL/LND/59/10 of 1964-65.
Dharwar -6-1964.

Subject:- Constitution of a Committee in N.Kanara District to make proper survey of Forest land suitable for cultivation or otherwise.

References:- Your D.O.No.FOP/GEL/324-77 dated 3-3-1964 and Chief Conservator of Forests, in Mysore Bangalore's No.B-3-10/57/10 dated 9-3-1964.

As previously reported under this office No.FOP/GEL/LND/MISC/9 dated 30-3-1964, there were 3 big blocks in respect of Yellapur Taluka, which were proposed for joint inspection by the Committee constituted for the purpose of forest lands. Out of the three blocks mentioned below, two blocks were inspected by the members of the Committee so far. One block i.e. F.S.No.14 of Maanur village has not been inspected, since the officials of the R.D. have stated that there is no demand for this area from the public.

Name of the blocks proposed to be jointly inspected.		Name of the blocks actually inspected.	
Name of the S.No.	Area in acres.	Name of the S.No.	Areas found suitable for cultivation.
i) F.S.No.24 Pt. Kirwatti village.	312.00 acres.	i) F.S.No.24 Pt. Kirwatti village.	270.00 acres.
ii) F.S.No.17 Pt. of Hosalli village.	200.00 "	ii) F.S.No.17 Pt. of Hosalli village.	170.00 acres.
iii) F.S.No.14 of Maanur village.	300.00 "	This block has not been inspected for the reasons stated above.	
Total.	812.00 acres.		440.00 acres.

2. Instead of F.S.No.14 of Maanur, the officials of the R.D. have suggested to inspect the F.S.No.264 of Maanur village for release of the same for cultivation. This S.No. is situated in the midst of forest forming a pocket in the interior thick forests. It is also far away from the road sides and also from the village sites. In view of this, the Committee disagreed to release this S.No. for cultivation.

3. The Committee after inspection of the two blocks in F.S.Nos. 24 Pt. of Kirwatti village and F.S.No.17 Pt. of Hosalli village, found that an area of 440 acres shown in para 1 above is fit for cultivation. These S.Nos. are adjoining cultivation and nearer to road-side and found to be quite suitable for cultivation. A part of the area on the road-sides in respect of ~~these~~ S.Nos.17 of Hosalli village is good for establishing gaonthana.

(P.T.O.)

4. In the circumstances stated above, an area of 440 acres as detailed in para 1 above may kindly be considered for release for the purpose ~~for the purpose~~ of cultivation in respect of Yellapur taluka. Necessary orders of Government may be obtained and the area in question may be ordered to be kept at the disposal of the R.D. for distribution.

5. The remaining 17 blocks of Mundgod taluka will be inspected by the Committee and further report will be submitted in due course.

Reference G.O.No. AFD 79 FGL 62 dated, 25-2-64 and your No. B3-10-57/60-61 dated, 18-6-1964 addressed to the Secretary to Government, xxx Agriculture & Forest Department and copied to me.

In continuation of this office letter of even No. dated, 27-6-1964 addressed to Government in Agriculture & Forest Department through you, I forward herewith a copy of the Deputy Commissioner, N.Kanara's letter No.FOR-I,Mis.SR.56 dated, 2-7-1964 and write to state as under :-

2) The area of forest land to be released, in respect of Haliyal Taluka, works out to 1387A-20Gs. and not 2275A-31Gs. as proposed previously. Thus, the area of forest land to be released in different talukas of N.Kanara District, including Haliyal taluka will be 7727A-23Gs-24s (i.e. 8615A-34Gs.24s less 2275A-31Gs. plus 1387A-20Gs.) instead of 8615A-34Gs.24s as proposed in my letter of 27-6-1964 cited above. Government may A-G- kindly be moved to disforest the entire area of 7727-23-24s early.

Regarding the Survey work in Mundgod Taluka, the Divisional Forest Officer, E.D.Kanara, has stated that he would carry out the work after the rains are over(vide his letter of 22-6-1964 of 27-6-1964, copy enclosed). The Divisional Forest Officer, should have completed the work before June, 1964, only. You may ascertain the reasons for the delay in completing the work, if necessary, and inform Government suitably.

"Subject :- Constitution of committee in North Kanara Dist. to make a proper survey of Forest land suitable for cultivation.

Reference :- Your letter No.RB/FOR/SR-1349 dated, 14-5 1964.

The discrepancy of 302A-18-0 in respect of Haliyal Taluka is due to the following reasons:—

Village	S.No.	Area. A-G-A
1.Kd.Kanchinalli.	36(pt.)	58-0-0.
2.Mugadkop.	35	10-00
3.Golehalli.	27	10-00
4.Neeralgi.	33-A	186-0-0
	34	38-18-0.

After examining in detail the statements of lands having demand prepared by Revenue officers the Taluka Committee, Haliyal constituted for survey of Forest lands was of the opinion that the marginally noted areas in the four villages may also be released but deferred their decision for their final release as they could not decide the same in the meeting held on 12-2-1964 at Haliyal as sketches of these areas were not available at that time. The Committee therefore left the decision of release or otherwise to the Chairman of the Committee (Please vide minutes of the Committee received from the Chairman (Divisional Forest Officer, N.D.Kanara) dated, 12-2-1964. This area was included in the list of Forest survey numbers recommended for release submitted along with this office letter No.FOR.I.Mis.SR.56 dated, 7-3-1964. But from the letter No.FOP/GFL/824/77 dated, 6-5-1964, from the Conservator of Forests, B.C., Belgaum it is observed that the Chairman of the committee has still to give his decision for release of the said area and hence the conservator has omitted this area from his report. In view of the above facts the aforesaid area of 302-18-0 may be deleted from the area of 2275-31-0 recommended under this office letter No. FOR-I.Mis.SR-56 dated, 7-3-1964 for the present. Thus the total area in respect of Haliyal Taluka recommended for release by Taluka Committee will be 1973-13-0. Further it may be pointed out that the Taluka Committee, Haliyal in its meeting held on 12-2-1964 has recommended an area of 585-33-0 apart from the area of 1387-20-0 previously recommended xxxxx but while doing so the committee also agreed to proportionately reduce areas from the previously recommended area without indicating clearly the specific villages and the survey numbers etc. from which the areas were to be reduced from the earlier recommendations. If the area of 585-33-0 is required to be reduced from 1387-20-0 as stated by the Convervator of Forests, B.C., Belgaum in his letter No.FOP/GFL/824-77/64-65 dated, 6-5-1964 the Taluka committee, Haliyal will have to take a decision regarding the names of villages and forest Survey numbers how much area is to be deleted etc. The Divisional Forest Officer, N.D.Kanara Dharwar is being asked to send committee's recommendations in this respect separately. On receipt of the recommendations, necessary reductions would be proposed by this office."
